

S&G Titan™ Electronic Safe Lock Model 2006/2007

HIGH SECURITY. RUGGED DURABILITY.

Designed with advanced features to maximize performance while minimizing the wear and tear of daily use, Sargent and Greenleaf's Titan Electronic Safe Lock provides reliable security for banking and commercial assets.

Building on a heritage of more than 150 years of excellence, Sargent and Greenleaf is trusted worldwide for quality and security.

FEATURES

- **PROVEN SECURITY.** The Titan lock is a robust, 10-user lock with a completely redesigned locking mechanism based on the proven security of a motorized blocking device.
- **RUGGED DESIGN.** Built to withstand heavy use, even with additional boltwork or locking bars, Titan performs with exceptional durability. A motor-driven locking mechanism delivers an extra measure of security and longer battery life.
- **BEST-IN-CLASS WARRANTY.** Sargent and Greenleaf backs Titan Locks with a leading two-year warranty and exceptional service.
